## Rechargeable Torch with integrated lantern

**Model: UNC68747**

### Operating Instructions

#### Directions for use

Press the button on the side of the torch to cycle through the four lighting modes - torch high beam, torch low beam, torch flashing, lantern on, off

#### Charging the battery

1. Connect the USB cable to the socket on the body of the torch and to a suitable USB charging source (5V DC 2A). Ensure the USB plug is correctly aligned and insert it into the socket gently, do not use excess force.
2. The lantern will glow red while charging and will turn green when fully charged.
3. A full charge will take approximately 1.5 hours and provide up to 3 hours light.
4. Do not leave the battery fully discharged. If the torch is not going to be used for an extended period of time, fully charge the battery before storage. The battery should then be charged every 3 months to keep the battery in good condition and the torch ready to use.

#### How to remove/replace the battery

1. Use a cross head screwdriver to remove the 6 screws located on the side of the torch head.
2. Remove the 14500 3.7V 400mAh Li-ion rechargeable battery by unclipping the battery connector.
3. Dispose of old batteries responsibly by taking them to the retailer the product was originally purchased from or your local household waste and recycling site.
4. The battery can be replaced with a 14500 3.7V 400mAh rechargeable battery. Re-connect the battery connector and place the battery in the battery compartment. Refit the side of the torch head and secure using the 6 screws.

#### Batteries

This product is fitted with a 3.7V 400mAh Li-ion rechargeable battery.  
It should be removed prior to disposal and can be replaced.

#### Safety warning

Keep out of reach of children. Only use the USB cable supplied. Do not leave unattended while charging. Disconnect when fully charged. Do not shine the light directly into eyes.

Failure to follow these instructions could result in fire, electric shock, injury or damage to persons, product or property and will invalidate the guarantee.

#### Guarantee

This product is guaranteed for one year from the date of purchase against faulty parts or workmanship. It does not cover the battery or physical damage to the unit. Proof of purchase required. This does not affect your statutory rights.
