## Rechargeable Head Torch

Model: UNC68761

### Operating Instructions

#### Directions for use

Press the left button on the top of the head torch to operate the COB flood light.

Press the right button on the top of the head torch to operate the LED spotlight.

Both buttons cycle through the light settings:

100% power

50% power

Flashing

Off

The torch body can be tilted by 60 degrees to obtain the required lighting angle.

The head strap is fully adjustable to obtain a comfortable fit.

#### Charging the battery

1. Connect the USB cable to the socket on the head torch and to a suitable USB charging source (5V DC 2A). Ensure the USB plug is correctly aligned and insert it into the socket gently, do not use excess force.
2. The LED will glow red while charging and will turn green when fully charged.
3. A full charge will take approximately 4 hours and provide up to 7 hours light.
4. Do not leave the battery fully discharged. If the head torch is not going to be used for an extended period of time, fully charge the battery before storage. The battery should then be charged every 3 months to keep the battery in good condition and the head torch ready to use.

#### How to remove/replace the battery

1. Open the battery compartment on the back of the head torch.
2. Remove the 18650 3.7V 1200mAh Li-ion rechargeable battery.
3. Dispose of old batteries responsibly by taking them to the retailer the product was originally purchased from or your local household waste and recycling site.
4. The battery can be replaced with a 18650 3.7V 1200mAh rechargeable battery. Re-insert the battery into the battery compartment observing the polarity markings. Close the battery compartment.

#### Batteries

This product is fitted with a 3.7V 1200mAh Li-ion rechargeable battery. It should be removed prior to disposal and can be replaced.

#### Safety warning

Keep out of reach of children. Only use the USB cable supplied. Do not leave unattended while charging. Disconnect when fully charged. Do not shine the light directly into eyes.

Failure to follow these instructions could result in fire, electric shock, injury or damage to persons, product or property and will invalidate the guarantee.

#### Guarantee

This product is guaranteed for one year from the date of purchase against faulty parts or workmanship. It does not cover the battery or physical damage to the unit. Proof of purchase required. This does not affect your statutory rights.
