Spotlight and Lantern

Model: UNC68822

Operating Instructions

Directions for use

This Spotlight and Lantern is supplied with the batteries installed. Before use remove the battery tab. Open the battery compartment on the top of the unit by turning the battery cover anticlockwise. Remove the battery tab and close the compartment by replacing the battery cover and turning clockwise.

Spotlight

Press the button on the side of the unit to switch the spotlight on and off.

Lantern

Pull up the end of the unit to switch the lantern on. Press back down to switch the lantern off.

The carry handle can be used for both the spotlight function and also the lantern function.

To use as a spotlight, clip the handle to the front and the back of the spotlight body.

To use as a lantern, unclip the handle from the front of the unit and re-attach to the opposite side of the top. The unit can now be carried as a lantern and the handle can be used to pull the lantern open and switch the light on.

Battery replacement

1. Open the battery compartment on the top of the unit by turning anticlockwise.
2. Replace the 3 x AA batteries, observing the polarity markings.
3. Close the battery compartment by replacing the battery cover and turning clockwise.
